

PIANTANE

COLLEZIONE **PIANTANE**

Le piantane OML sono costruite prevalentemente con metalli di alta qualità, quali: l'ottone, l'acciaio inox ed altri. Oltre ad essere eleganti elementi d'arredo hanno la caratteristica di essere multifunzionali, perché la loro utilità spazia dal portasalviette allo specchio, dal portasapone al portabicchiere, dal portarotolo al portascopino.

La vasta gamma di modelli è proposta in diverse combinazioni di colore tra supporti ed accessori inseriti.

PIANTANE COLLECTION

The OML stands are mostly made in high quality materials, as: brass, stainless steel and others.

Besides being stylish bathroom fittings, their feature is that of being "multipurpose" as they are available in several solutions, spacing from towelracks to mirror, from soap-dish to glass-holder, from roll holder to brush-holder. The wide range of models is proposed in different colour combinations between supports and fitted accessories.

COLLECTION **PIANTANE**

Les colonnes OML sont généralement construites avec des métaux de haute qualité comme: le laiton, l'acier inoxydable et d'autres. Tout en étant des éléments d'ensemble élégants, ils ont comme qualité principale le caractère multifonctions car ils existent en plusieurs variantes qui vont du porte-verre, du porte-rouleau au porte-balayette.

L'ample gamme de modèles est proposées en combinaisons différentes de couleur entre les supports et les accessoires insérés.

KOLLEKTION **PIANTANE**

Die Ständer OML sind aus hochwertigen Metallen hergestellt wie Messing, Inox usw. Neben ihrer Eleganz als Einrichtungsgegenstände sind sie multifunktional und dienen in verschiedenen Kombinationen einem vielfachen Gebrauch: mit Handtuchhalter und Zahnputzbecher, mit Seifenschale und Toilettenpapierhalter, usw.

Ein reiches Angebot mit geschmackvollem Design und in verschiedenen Kombinationen von Farbe und Materialien.

COLECCIÓN **PIANTANE**

Los elementos de pie OML están hechos con metales de alta calidad como el latón, el acero inoxidable y otros. Además de ser elementos de decoración elegantes, tienen la característica de ser multifuncionales, porque su utilidad abarca desde el toallero hasta el espejo, desde la jabonera hasta el portavasos, desde el portarollo hasta el portaescobilla.

La amplia serie de modelos se propone en distintas combinaciones de color entre los soportes y los accesorios montados.
